

Product Specification Sheet

Targus Wireless Stow-N-Go Keypad

Part #: AKP01US

Product Description:

The Targus Wireless Stow-N-Go Keypad provides a unique built-in storage compartment for the receiver - making it a great keypad solution for travelers. Ideal for financial applications at home and on the road, this wireless keypad helps you maintain a clean, uncluttered workspace. Full-size keycaps are comfortable and convenient for data input. Simply remove the receiver from the storage compartment underneath the keypad, plug it into the USB slot of your notebook and it's ready for use! The Targus Wireless Stow-N-Go Keypad comes with a USB receiver, USB extension cable, 1 AA battery, carrying pouch and User's Guide.

Product Features and Specifications:

- **Wireless freedom:** Wireless keypad with unique Stow-N-Go built-in receiver storage is perfect for travel, home and office
- **Faster data input:** Full-size keycaps for convenient data input; ideal for spreadsheet, accounting and financial applications
- **Plug and play connectivity:** Simply plug the wireless receiver into your notebook computer's USB slot; no drivers required
